おびえろ! シジミマン

(Alohaaa) アロハ～
I'm afraid of flying.
Why don't you give it a try, Shijimi Man?
Going on a trip abroad is nice.
That's not true!!?
You're afraid of flying? Plane accidents are very rare!
A potted plant may come falling down when you're walking down a backstreet.
A bus you're aboard may be hijacked
Or you might get hit by a car that accidently drives into a convenience store while you're inside.
There are always dangers once you go outside!
He's in his recluse mode.
At home, you'll stub your little toe against the corner of a wardrobe and then you'll get stabbed by a feather from a pillar for sure…

Kaibashira-kun?
It's from Kaibashira-kun.
Delivery.
One day, we had a dispute over something trivial.
What?
You can't do anything without me?
He's been a member of my family since we were born.
We got along well, but…
(I'll be independent)
自立してやる
But!
And so I just left home…
That's an allowance. You're not independent at all.
Without that dispute, I wouldn't be independent now.
(Cup noodles)
(Rice)
Kaibashira-kun sends me a gift like this every month.

Kaibashira. A pillar-shaped muscle that a bivalve uses to close its shell.

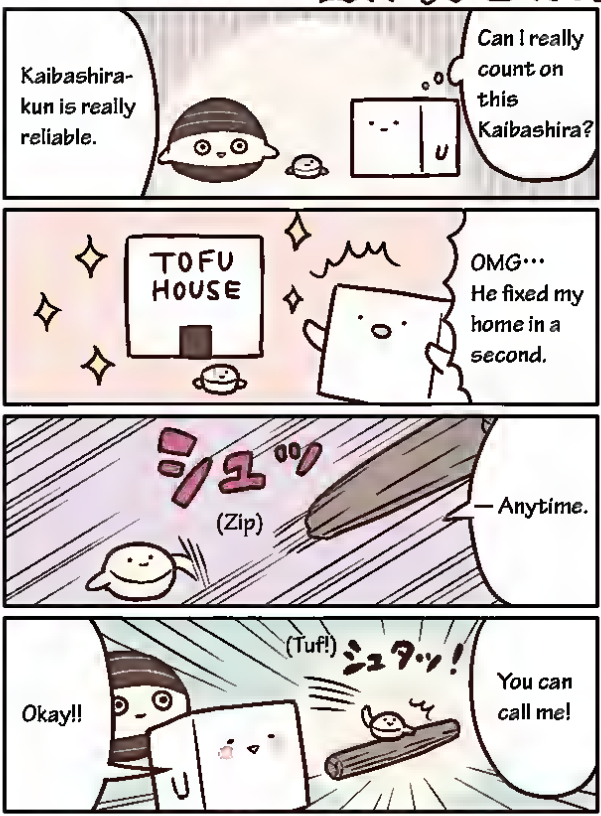
(Smaaash)

なおせ！貝柱くん②



Kaibashira-kun is really reliable.
Can I really count on this Kaibashira?
